THE physician of Justice Hunt, of with "yes" or "no," but can not con-

introduced to the Senate of our State Legislature requesting and instructing tion of the resolution, the vote olina—Wiley A. Walker, Winston; Jonathan D. White, Greensboro'. our Representatives and Senators in standing 45 to 24. Congress to make all legal and proper exertions to have the ten per cent. restrictions on private and State banks repealed. A majority of the Senate Committee on Banks and Banking reported in its favor, and Mr. Samsell presented a minority report recommending its rejection, on the ground that "it would destroy one of the material sources of revenue, to the extent of thirty-eight millions of dollars, and revive the fossilized system of wild-cat and State banks." After considerable discussion, the resolution George E. Spencer. The credenwas laid on the table.

THERE is no interest more vitally lution calling upon the Secretary of important to the future growth of the the Treasury for information as to city of Knoxville, the prosperity of the amount of commissions or other her citizens and the assurance of good | compensation paid to bankers, broorder, than the encouragement of her city schools; of these institutions she may now well be proud. no cities in may now well be proud, no cities in securities from 1862 to the present the South have them better regulated, better governed or better taught. They have attracted attention abroad, and philanthropists have donated of their means to the erection of buildings, which are an ornament to our city and will compare for useful construction, and even in outward show with many a larger city of the North. By the system of management now adopted, the schools are thrown out of any probable connection with partisan favoritism of any kind and a character of permanence given to them, which indicates that improvements will be continued until so near perfection may be obtained as it is possible or things human. It has been rumored that there are those who will continued until so near perfection may be obtained as it is possible or things human. It has been rumored that there are those who will enter the continued until so near perfection may be obtained as tit is possible or things human. It has been rumored that there are those who will interest the schools where each successive year might change their regulated, better governed to be the continued and philanthropists have donated of their means to the erection of buildings, and whether the interest has been paid on called bonds, and, at the wholesale cloth house of Van Valkenburg & Hevilt, 62 Worth street, and rapidly enveloped the street to the system of management now adopted, the solutions of the curit dustries of the wild be street, and rapidly enveloped the street of the system of management now adopted, the solutions of the continued will be such as the wholesale cloth house of Van Valkenburg & Hevilt, 62 Worth street, and rapidly enveloped the street to No. 55, occupied by Poster Walkinshaw, No. 66 are on fire and banks designated as depositaries.

Mr. Morrill, of Vermont, suggested that it be referred to the formittee on Finance, even the such that the street is to No. 55, occupied by Joseph Hoos.

9,15 p. m.—The fire fafter crossing to the state of the forent court have the best by a believe to the following described in the street of No the South have them better regulated, time, the amount paid any such the 22d, for the election of a Senawould interfere with the present form of management and place the schools where each successive year might change their position, or at least cause severe concests. Nothing could be devised to more effectually empty the school houses and make the schools and school well as the school houses and make the schools and school well as the personal interest of every voter in this city, white and colored, to prevent such a result. If they want the present well managed system of free schools continued and made to improve, they should so school well in the strictest sense of the words. There should be not half-way ground, the most vital interest of the first want good for whom they vote to-day.

Mr. Allison, from the Committee of management and place the school well as the school well as the school mean in the strictes.

Mr. Allison, from the Committee of the direction of School well and the school well as the school mean in the strictes.
